M11 PRO SYSTEM

For Two-way Radio

NO MORE NOISE, JUST YOUR VOICE

Loud and clear communication in any noise or environment

Product Description

The Tactical Headsets PRO M11 headset is based on THS's State-of-the-art Neck-microphone.

A Lightweight, strong and comfortable design makes it a highly effective and versatile headset.

HIFI-audio speakers with thin nylon strengthened cables, aluminum speaker cabinets, IP68 and a high technology microphone that picks up the voice directly from your neck skin, shutting out ambient noise and improves readability.

PTT harness

Tactical Headsets Rugged PTT harness is available for a wide range of two-way radios.

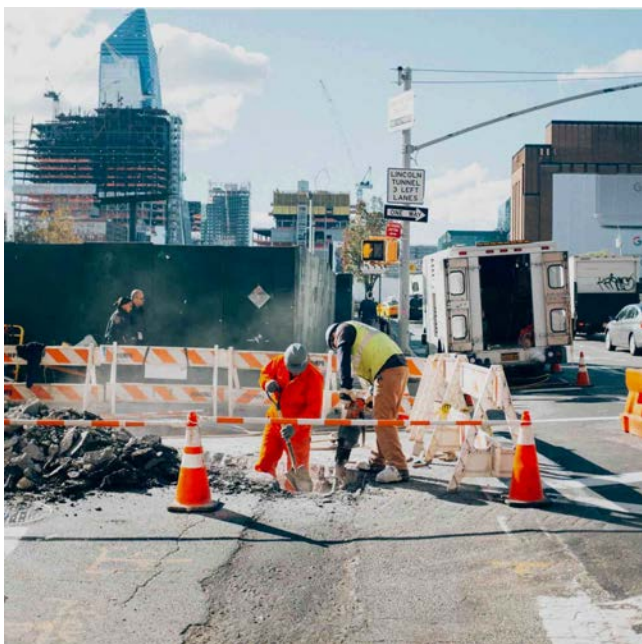

Highly durable with a big and easy to use PTT-button, Water and dust proof to ensure perfect function in all environments.

- IP68
- 180 grams weight
- 80-160cm length
- Strong turnable clip for fastening
- TP-120 connector THS CONFIG
